Strengthening Dialogue on Skills Development and International Cooperation

GOVET, in cooperation with Ghana-Forum NRW and iMOVE – Training Made in Germany, warmly invites interested stakeholders to a Round Table Exchange with members of the Parliamentary Education Committee from Ghana.

The event offers a unique platform for open dialogue, networking, and knowledge exchange on vocational education and training (VET), skills development, and international cooperation between Ghana and Germany. Participants will have the opportunity to engage directly with the visiting delegation, share perspectives, and explore potential areas for future collaboration.

The Round Table aims to bring together representatives from education, business, policy, civil society, and international cooperation who are interested in strengthening partnerships and fostering sustainable skills development initiatives.

### About GOVET

The German Office for International Cooperation in Vocational Education and Training (GOVET), located at BIBB, serves as the central contact point for international VET cooperation in Germany. GOVET supports the exchange of expertise, promotes international partnerships, and contributes to strengthening vocational education and training systems worldwide.
